PRICING, ERRORS AND OMISSIONS

Displayed part prices are the Manufacturer's Suggested Retail Price (MSRP), which excludes shipping, installation, wheel components (if applicable), taxes and any other fees that may apply. Dealer prices may vary, as participating dealers are solely responsible to set final part prices. Installation prices, where applicable, are also set by the dealer. Prices are subject to change without notice. Acknowledgement of an order means that your order has been received; it does not mean that your order has been accepted or shipped or that the price or availability of an item has been confirmed. We make a conscientious effort to describe and display products accurately on this site. Despite these efforts, items on the site may be mispriced, inaccurately described or unavailable. As a result, we cannot and do not guarantee the accuracy or completeness of any information, including prices, images, specifications, availability and services. We reserve the right to change or update information to correct errors, inaccuracies or omissions at any time without prior notice. We apologize for any inconvenience.

LIMITED WARRANTY

Accessories installed by an authorized GM Dealer will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details. Accessories (i) purchased at a dealership (but not installed by a dealer), (ii) shipped directly to a customer, or (iii) not requiring

installation, will receive the standard GM Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles.
